NARRATIVE:

Gilbert Andujo is a documented gang member with an extensive adult criminal history that began at the age of 19. His convictions include carrying a loaded firearm, possession of a firearm by felon, firearm access violation, ammunition violation, possession of contraband in jail, battery, possession of controlled substances, use of PCP and possession of controlled substances paraphernalia. He has served multiple incarcerations, the longest being a 28 month term for a firearm access violation. Andujo was released from state prison to the supervision of the Los Angeles County Probation Department on December 5, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2016 after he absconded from post release community supervision (PRCS). Andujo qualified to be released to the supervision of probation, under AB 109, because his current commitment offenses for a firearm access violation is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
